Description

Pattinson Proudly Presents: Mansard, Elwick Road - A Rare Architectural Gem

Nestled on the sought-after Elwick Road and just a short stroll from Ward Jackson Park, Mansard is a stunning 1930s four-bedroom detached home, a truly rare find in today's market. With a distinctive French-inspired Mansard roof, this elegant self-build stands proudly on a generous plot, combining character, space, and privacy in one exceptional package.

From the moment you arrive, the home makes an impression. A grand brick-walled perimeter with pillared entrance offers instant kerb appeal and is perfect for future electric gate installation. Mature planting, manicured lawns, and topiary details create a warm welcome to the front garden.

The property itself sits thoughtfully rotated within the plot, with the main entrance tucked to the side for added privacy. Inside, a spacious reception hallway leads you through this charming and versatile home. To one side, a cosy snug boasts a feature fireplace, dual-aspect windows, and hidden hardwood flooring beneath a soft neutral carpet ideal as a reading room or quiet escape.

On the opposite side, the main living room offers generous proportions, triple-aspect light, and a gorgeous brick fireplace with wood-burning stove perfect for family nights in or entertaining guests.

To the rear, a stylish guest WC is finished in natural-toned tiles, while the heart of the home lies in the impressive kitchen & breakfast room. Here, a classic Shaker-style kitchen pairs cream and navy cabinetry with rich butcher-block worktops and a show-stopping range cooker framed by oak and granite. A Butler sink and stone flooring complete the look, with a glazed door leading out to the peaceful rear garden.

Upstairs, the light-filled landing leads to four bedrooms and a luxurious family bathroom, featuring a jacuzzi bath, curved walk-in shower, and vintage-inspired touches. Two of the bedrooms offer built-in wardrobes, one features a charming fireplace, and the fourth provides a generous single ideal as a nursery or home office.

A discreet Positive Input Ventilation System keeps the air fresh and filtered throughout the home, offering modern comfort in a period setting.

Outside, the rear garden is a private haven a mix of lawn and stone patio bordered by mature trees and planting. A long block-paved driveway leads to a detached single garage with power, ideal for storage or workshop space.

Mansard is more than just a home it's a piece of timeless design, tailored for modern family life in a prestigious West Hartlepool location.
