## Kitchen

At the heart of this family home is its impressive kitchen. Tastefully decorated and complete with a modern finish, and not lacking in functionality. Integrated appliances were just recently fitted and include; an under-counter fridge, oven, microwave, hob with extractor fan, and a dishwasher. A wide range of storage options from eye-level and floor-level cupboards.

## Snug

A versatile and comfortable room that can be used as a secondary living or dining area. Great for relaxing and unwinding. The perfect spot for a late-night poker game with friends or family! Accessed via the kitchen, utility, or the porch that leads to the rear garden.

## Utility Room

Once a garage, this room has been converted into a much more functional space, with an extensive utility setup that has a range of cupboards, a sink, and space for a washing machine and dryer. The boiler is also located in this room, hidden within one of the cupboards. Currently, this area is also set up as a home gym, but the possibilities are endless! ## Third Bedroom (Guest Room)

This room would make an ideal guest suite for friends or family that are staying over, giving them a private space just slightly separate from the main residence.

## Shower Room

Fully tiled throughout, featuring a very spacious walk-in enclosure with a modern, mains-fed shower. Contemporary two-piece suite and complete with a full-size towel radiator.

## Fourth Bedroom / Study

## Family Bathroom

The family bathroom features a three-piece suite with stand-alone bath. It is fully tiled and tastefully decorated throughout. Additional storage provides an area for towels etc, and the external window provides light and extra ventilation.

## Rear Aspect

To the rear of the property is an excellent patio area, with a lawn that currently features artificial grass and easily maintained bushes that add seasonal colour. This garden is surprisingly private due to the neighbouring properties behind being on a lower level. Accessed via French doors into the living room, the rear porch or the path that leads down the side of the property. This is a great place to relax and unwind or to soak up the sun, when it's out!
