Description

Introducing an exemplary detached home situated within the popular Heritage Gardens, Bedlington. The home occupies a lovely sizeable plot at Chatsworth Drive, which benefits from not being directly overlooked to the front nor the rear.

The owners have invested greatly in the property and present a much improved family home, which has been extended and re-configured to offer a practical arrangement, revolving around comfort and light.

You will step inside to a welcoming hallway. The main reception is to the front aspect and is filled with natural light. Glazed double doors allow the reception room to either combine or remain separate from the spacious dining kitchen. The stylish dining kitchen spans the width of the building - flows seamlessly into the sun rooms/extensions. The first extension is currently used as an additional dining room it weaves around into a much larger and impressive extension, which offers flexible living space.

On the upper level you will find the principal bathroom and four well-appointed bedrooms, two en-suites (one Jack and Jill) and a principal bathroom.

The outdoor space enjoys the huge benefit of not having houses directly behind, providing a wonderful sense of privacy. Parking is no problem with a double width driveway and garage.

The Heritage Gardens remains a popular choice due to ease of access onto the A189 Spine Road, local schools and the now fully operational South East Northumberland Rail Link. The picturesque coastline is within good reach also.

A smashing family home, please call the local sales team to set-up an appointment to view.

Extension/Sun Rooms

There are two sun rooms, the first was erected prior to this seller's ownership, the second extension was added in approximately 2019.

The first room, the current owners occupy as a additional dining room, there is a skylight and effective ceiling down-lights. The room flows and weaves around into a much larger extension. This second extension is a generous sized space space with two skylights, allowing the natural light to flood into the area. There are vertical radiators, down-lighting and onward access into the delightful private rear garden, which is not directly overlooked.
