The outdoor space is paved and enclosed, making it ideal for low-maintenance enjoyment, with room for seating and a few personal touches such as planters or storage.

Upstairs, the property offers two bedrooms. The main bedroom is well-proportioned and filled with natural light, while the second bedroom makes an excellent nursery, home office, or guest room. One of the standout features of this home is the cellar, accessed via stairs from the ground floor. This additional space is ideal for storage or could be adapted as a hobby room or workspace.

The property benefits from gas central heating and double glazing throughout, ensuring comfort and efficiency all year round. A new boiler has recently been installed. Parking is available to the side of 18 George Street.
